# SCALABLE PET, HUMAN, AND HOME WELLNESS SOLUTIONS UNDER ONE BIOFEEDBACK BRAND.

At Red Jasper Wellness our passion lies in the well-being of people and animals. Everything we do stems from the belief that life resonates from the inside out.

We believe in thinking differently. We believe in the invisible.

Biofeedback has been around for over 150 years and is used to help people and pets resonate at their optimum. Through our comprehensive understanding of how biofeedback works, we're able to utilize industry-leading technology to help animals and humans alike achieve their best quality of life.

## INNOVATE WITH NOAH

This revolutionary biofeedback software is designed specifically for animals, offering a cutting-edge approach to enhance the well-being of pets and livestock.

## HEAL WITH OMNIS

A sophisticated software designed to help people release trauma to a cellular level, provide protocols that address alcoholism and other addictions, and enhance athletic performance, Omnis provides unsurpassed support for multiple physical and emotional issues.

## DESIGN with FENG SHUI and BAZI

Feng shui consultants who want a cutting edge over their competitors will have it using Bazi, an ancient tradition that delivers accuracy for selecting the best possible energy flow when purchasing or selecting layout for homes or businesses.

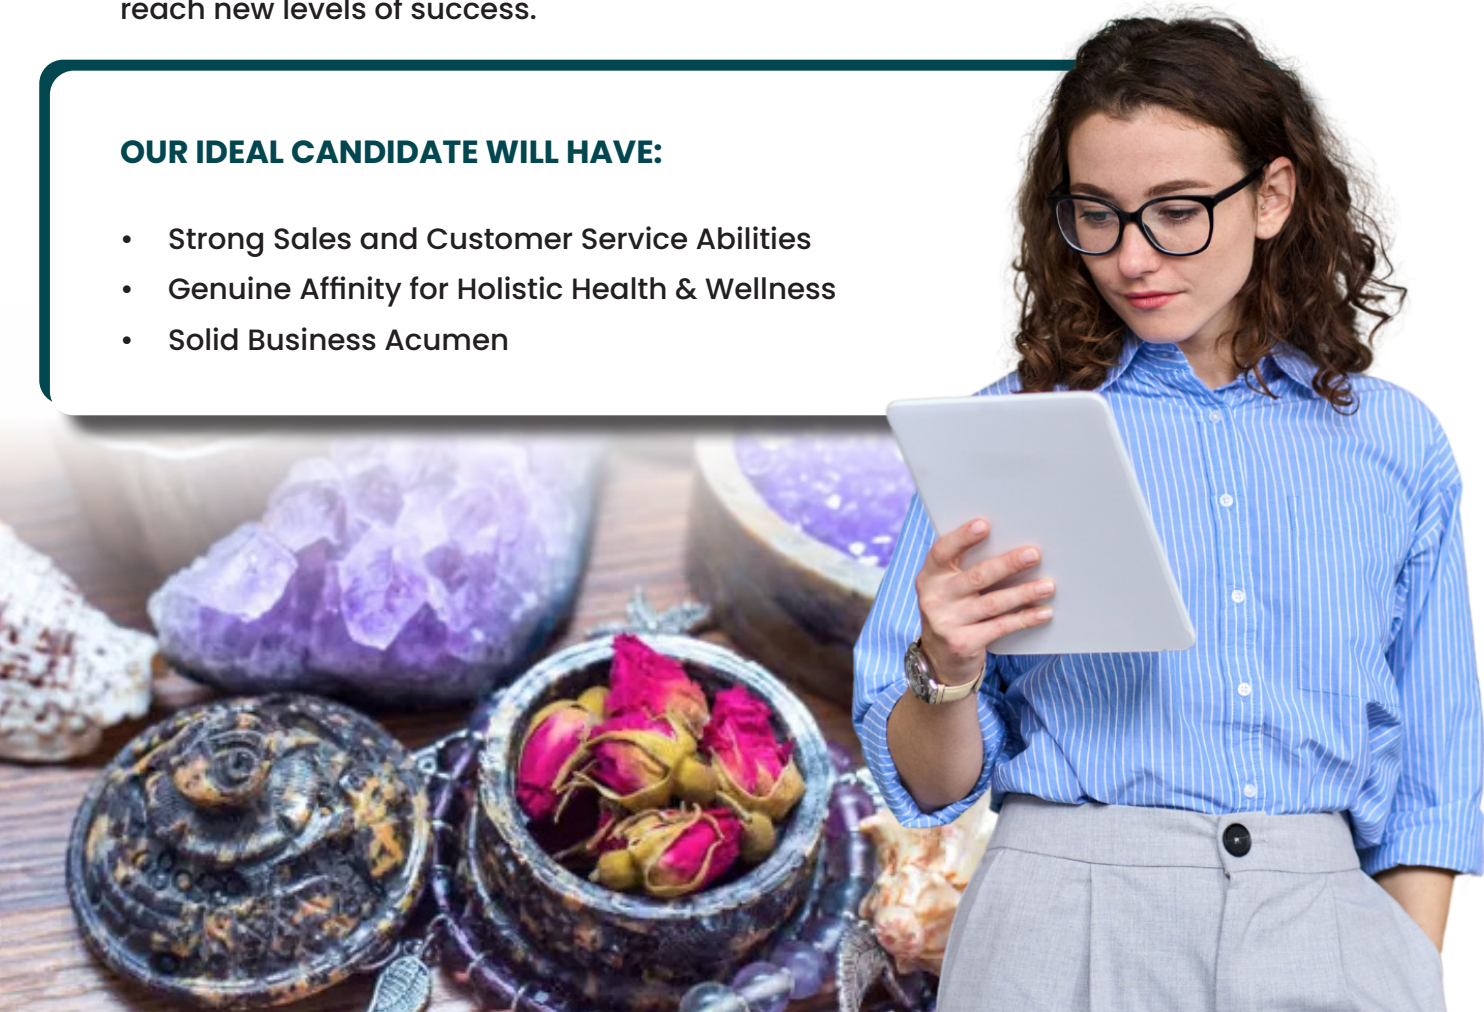

## RED JASPER WELLNESS FRANCHISE PARTNERS.
